Marfield CEO Elected to Board Position with PIA-MidAmerica

CARROLLTON, TEXAS—November 2009 — Lee Ann Packard, President & CEO of Marfield, Inc. is elected to membership on the board of directors with the PIA Mid-America affiliate of the Printing Industries of America Association.

PIA-MidAmerica is one of the largest regional affiliates of the Graphic Arts Technical Foundation and Printing Industries of America in the United States. With over 800 member companies, this trade association offers its membership a host of services, programs, and support. PIA MidAmerica serves the Printing & Imaging Industry in Kansas, Oklahoma, Texas and Western Missouri

PIA-MidAmerica has been in existence for over 50 years and has provided the state's printing and imaging industry a forum in which companies have been able to come together and work on common problems as well as share information. By working together, owners can run their companies more efficiently; comply with strict environmental regulations; train the workforce of the future; create group buying opportunities; network with their peers; and keep up-to-date on the rapidly changing technology and markets of the industry.

Packard joins an impressive group of board members including other business owners and executives in the printing industry.

“The PIA-MidAmerica brings many quality opportunities for business and personal development to its members. I am pleased and proud to be associated with this outstanding organization,” says Packard.

Founded in 1968, Marfield Corporate Stationery is a printing company specializing in business stationery products. Customer satisfaction and loyalty has awarded Marfield a leadership position in providing quality printing services to corporate America.
